IMPACT 100

The Haiti Outreach Ministry is so excited to continue the **IMPACT 100** initiative to engage St. Francis parishioners in active partnership with St. Louis Parish! Last year we had 50 **IMPACT 100** partner donors who joined together to raise \$5000! This amount completely funded the project the partners voted on—the Clinic Laboratory Project! Turn this page over to see the pictures of what an **IMPACT** this generous donation has made!

We again are inviting caring individuals to pool their resources (\$100 donation) to fund a single, visionary project in the community of Pointe-a-Raquette—and this year your support will be added to the School Building Fund so that construction on a new school building might begin! Please consider joining the effort and **IMPACT**! This year a Haitian dinner will be held on Tuesday, April 14, when the school plan will be presented to **IMPACT 100** partner donors! This year we hope to have 60 donors of \$100 to reach \$6,000! Please spread the word!

There are additional invitations in the vestibule of the church, or clip below and mail in your support!
