

St. Francis of Assisi Catholic Church

STEWARDSHIP

Please prayerfully consider these opportunities for you to share your time and talent with your parish! Place a checkmark next to the ministries you wish to participate in as a new member or check to indicate that you would like to re-commit to a ministry you are currently in. You can also note if you would like more information. There is space at the bottom of the page if there is a ministry you wish to discontinue, and also for ministries that you think would benefit our parish and community.

- ❖ Please Note: Every effort is made to contact new or interested members within 2 weeks, however if you do not receive a call please call or email the parish office.
